

ADDENDUM

MARTINSVILLE CITY COUNCIL AGENDA

May 12, 2015

7:30 pm – REGULAR SESSION ADDENDUM

1. Consider setting a public hearing regarding a request for a new antenna installation at the Martinsville Industrial Park water tank.
2. Consider setting a public hearing regarding a request to renew the lease for existing antenna equipment located on the New York Avenue water tank.

Meeting Date: May 12, 2015
Item No: ADDENDUM Item 1.
Department: City Manager

Issue: Consider setting a public hearing regarding a request for a new antenna installation at the Martinsville Industrial Park water tank.

Summary: The City currently has a long-term lease arrangement with Verizon for use of the Martinsville Industrial Park water tank for location of antenna equipment. T-Mobile contacted the City several months ago about co-locating their antenna equipment on the same tank. The tank has adequate space for additional antenna equipment and the City has received no comments about antenna equipment at this location.

As a follow up to the antenna issue considered by Council at the November 11, 2014 meeting, it is recommended that Council set a public hearing for the May 26, 2015 meeting to allow public input and comment.

Attachments: None

Recommendations: Staff recommends setting a Public Hearing for the May 26, 2015 Council meeting.
