**Date:** February 8, 2018

**Item No:** 1.

**Department:** City Council

**Issue:** Conduct a neighborhood meeting to hear information from Piedmont Community Services regarding their interest in possible use of the former City Housing Office located at 605 Fourth Street.

**Summary:** The City recently received an expression of interest from Piedmont Community Services regarding use of the former Housing Office located at 605 Fourth Street. The building has been vacant since 2016 except for use as storage and as voting precinct 001 during elections. Representatives from Piedmont Community Services will be at the meeting to be held at Albert Harris School, to provide information regarding their plans.

Also, since the building is used during elections, usage by Piedmont Community Services could necessitate a change in voting location for precinct 001. Members of the City's Electoral Board will also be present at this meeting to discuss options.

**Attachments:** None

**Recommendations:** The meeting to be held at Albert Harris is a neighborhood/public information meeting, and no action is needed by Council. Should Council desire to proceed with consideration of Piedmont Community Services' interest, the matter will be placed on a future Council agenda.
